**A Trusted Name in the Industry for over 50 years,
Serving the Appraisal and Liquidation Needs
of the Industrial and Financial Communities.**

Steeves & Company embraces the challenges faced by businesses today and is looking forward to the next fifty years in the auction and appraisal business. Find out why institutions and businesses choose Steeves & Company for all of their appraisal and liquidation needs.

For **50** years, we have been a consultant to major corporations, financial institutions, small businesses, and counselors of law nationwide in asset appraisal and liquidations.

Certified Appraisals

Our certified appraisals are requested by corporations, attorneys, lending institutions and government agencies for the purposes of asset lending, work-outs, estate disbursements, and tax settlements. Using USPAP criteria, principles and considerations, we offer:

- **Liquidation Value**
- **Orderly Liquidation Value**
- **Fair Market Value**
- **Fair Market in Place Value**

Most importantly, Steeves & Company remains a disinterested third party, having no vested interest in appraised assets.

Asset Liquidations

Asset management involves choosing a proper technique, market target, and expertise to carry the task to a successful conclusion.

Steeves & Company views each situation as a unique opportunity. We are committed to helping our customers understand their options and creating positive solutions to today's business needs.

reasonable avenues for solving immediate or long term financial needs.

Since 1958
